It's Who We Care For!

Byron Health Center

Abuse, Compliance, and Fraud Hotline

Purpose:

The purpose of the Abuse, Compliance, and Fraud Hotline is to provide an alternative and anonymous method of reporting suspected Byron Health Center violations of any federal or state laws or policies and procedures.

Hours:

24 hours a day. For the internal reporting hotline call extension 767 (SOS). If calling from outside the facility, call Byron at 260-637-3166, then key in the star sign (*) and 767. For the external reporting hotline with Senior Crimestoppers, call 1-800-590-5850. You do not need to leave your name or any information that may identify you.

Byron Health Center is a premier healthcare provider of comprehensive services and outstanding quality care in a state-of-the-art environment for a diverse population.
